VERSAPAY

one STOP SHOP

➤ integrated solutions for full end-to-end operations

The days of manually entering cash register data, checklist based inventory control and complicated operations management are now a thing of the past. VersaPay provides your business all of the above in an easy and profitable touch-of-a-screen solution.

All At Your Fingertips

Integrated Payment Solutions are fully customizable for any business, offering the simplicity and efficiency of true turnkey-style operations. Completely bundled with point of sale, tools for the back-office, business management, and guest services, these all in one packages provide seamless end-to-end operations throughout your entire company; from head office right down to every local, provincial or national location of your business.

With full expandability to grow with your business to suit its needs, along with the ability to capture your previous system's electronic data in as little as twenty-four hours, VersaPay's Integrated Payment Solutions can save you time and money with the availability of critical information at the simple touch of a button.

Gain greater control, increased profits and streamlined communication in a One-Stop Shop solution that will greatly enhance your business' growth and success.

- Multiple Selection of Affordable & Efficient Touch Screen Interfaces
- Fully Custom-Tailored to Your Business
- All-in-One Operations Solution
- Easily Expandable to Grow with Your Needs
